There is a restaurant in the hotel. For the rally days there are always places on the stages with snack stands. If the time allows for the stages, we also stop at rest areas.

However, it is still recommended to always bring a rucksack with the most necessary drinks and food. Small, collapsible camping chairs are also very helpful. Of course, we stop at supermarkets so that you can get supplies for the rally days.

We have rally fans with us from all over the world, mostly from Sweden, Austria, Norway, Germany and France. Our tour guides are in Swedish, German, English and French.
